

2013 TRAINING CALENDAR

CRC Financial Education Centre is proud to present a series of comprehensive training courses. Our training programmes are designed to equip participants with the requisite skills needed to meet the challenges in the dynamic workplace and ever vast global economy. To this end, our training programmes have been customized to address the peculiarities of both Financial & Non-Financial Institutions. Our courses are delivered by highly seasoned facilitators using practical examples and case studies.

CRC Financial Education Centre, an arm of CRC Credit Bureau offers the following training courses for year 2013:
